ARTICLE I

Purpose and Terminology

1. The purpose of the Massachusetts Conference of the United Church of Christ as stated in its charter (1799) is "diffusing the knowledge of the Gospel of Jesus Christ. . . and in concert with other ecclesiastical bodies for the general increase of Christian union and spiritual efficiency and the advancement of Christ's Kingdom on earth."

2. Whenever in these Bylaws the word Conference is used it shall be held to refer to the Corporation as a Conference of the United Church of Christ and as a Conference of Massachusetts Congregational Christian Churches.

3. All Churches which are members of Associations in voluntary fellowship with and recognized by the Conference, whether or not such Churches are a part of the United Church of Christ, are entitled to elect voting members of the Conference in accordance with these Bylaws.

4. Whenever in these Bylaws the word "Area" is used, it shall be held to refer to those Associations or combinations of the Associations decided upon by the agreement of the respective Associations and recognized by the Conference.

ARTICLE II

Denominational Basis

Following Congregational principles, this Conference shall under no circumstances exercise authority over Churches or individuals or interfere with the government or discipline of the Churches. It shall advise and counsel the Churches when requested, but it is recognized that each Church has the power of self-determination in all matters.

ARTICLE III

Doctrinal Basis

This Conference declares its steadfast allegiance to the faith which our forebears confessed, which, from age to age, has found its expression in the historic creeds of the Church Universal and of this Communion.

ARTICLE IV

BE IT RESOLVED that we, the 182nd Annual Meeting of the Massachusetts Conference of the United Church of Christ, propose that the United States make a first small specific nuclear arms reduction such as scrapping a few intercontinental ballistic missiles (without regard to arms limitation treaties or negotiations), tell the U.S.S. R. and all the world of it, inviting them to witness it; and then make an open offer of a second U. S. nuclear arms reduction if the U. S. S.R. will match our first reduction.

Jesus Christ teaches us that to achieve peace we must prove ourselves sincere and earn trust by showing ourselves vulnerable.

THEREFORE BE IT RESOLVED that the 182nd Annual Meeting of the Massachusetts Conference of the United Church of Christ calls upon the President of the United States and the Congress to implement this resolution.

Appendix C - RESOLUTION ON HUNGER AND ARMS

WHEREAS the Lord Jesus Christ, by precept and example, has called us to love our neighbor with the power of vulnerable love and to be our neighbors' helper when they lack food, clothing, and comfort; and

WHEREAS the Church which bears Christ's name has become unclear about the mandates of the Gospel; and

Appendix E - RESOLUTION ON CORPORATE SOCIAL RESPONSIBILITY

WHEREAS the Church has a Biblical and historic mandate to work for social and economic justice, including faithful stewardship of the earth's limited resources and meeting the needs of the world's poor for life support and human life, needs too often out of view, ignored or transgressed; and

WHEREAS modern business, from transnational corporations to small enterprises, is essential to the local and world-wide search for social and economic justice, both in its charity giving and its on-going operations and policies; and

WHEREAS constructive partnership between the church and business for increased corporate social responsibility can be hindered by:

- (a) negative stereotypes of the church turning to business only to help meet its own economic needs or to harass or undermine business interests without understanding;
- (b) negative stereotypes of business as concerned only to maximize profits, regardless of human needs; and

WHEREAS responsible social and economic justice requires a maximum of hard, constructive criticism and informed sensitivity among concerned persons at every level of church and society, including business management and workers;

THEREFORE BE IT RESOLVED that the 182nd Annual Meeting of the Massachusetts Conference of the United Church of Christ:

A. Encourages local churches to:

- (1) Learn about the present responses of business in relation to the meeting of human needs;
- (2) Identify the major business-related justice concerns and standards, both of local church members and of the United Church of Christ;

Appendix F - RESOLUTION ON ALTERNATIVES TO INCARCERATION

WHEREAS Jesus presents us with a message of love and concern, exemplified by His caring not only for beggars and the sick, but also for tax collectors, who were assumed to be stealing from their people; and

WHEREAS God calls us to "never avenge" ourselves, but leave it to God, for "Vengeance is mine, I will repay" says the Lord." (Romans 12:19); and

WHEREAS our faith teaches us that healing of a community must involve restitution, shalam, for the evil done, to restore shalom, peace in the community. (Exodus 22:5-6); and

WHEREAS our criminal justice system generally does not permit the offender and victim to settle differences between them but leaves the victim or victim's family without recompense, and sentences the offender to a long and meaningless prison term so neither victim nor offender receive justice, and wholeness is not restored, and injustice piles upon injustice; and

WHEREAS lawlessness has therefore become a part of the American way of life, with illegal acts, both violent and non-violent, increasing to the point at which fear and anger have spread perniciously throughout the society; and people are calling for harsher sentences for those convicted of crime; and

WHEREAS an immense crisis now exists in our national criminal justice system, with average sentence length steadily increasing, with presently over 545,000 prisoners in nearly 7,000 facilities at an average annual cost of over \$5.5 billion, making our nation third in the world in per capita prison population, exceeded only by the Soviet Union and the Republic of South Africa; and

WHEREAS the Commonwealth of Massachusetts may soon embark on a new prison-building effort; and

WHEREAS Abt Associates of Cambridge have shown that no factor contributes toward increased number of prisoners more than increased amount of prison space, nearly guarantying that prisons, once built, will be filled, with all their cost in finances and human misery;

THEREFORE BE IT RESOLVED that the 182nd Annual Meeting of the Massachusetts Conference of the United Church of Christ, is in support of increased use of restitution and mediation practices in order to allow victim and offender to face each other, and thereby, with the help of appropriate personnel, work out an appropriate reconciliation that will foster healing in the community.

BE IT FURTHER RESOLVED that the above Annual Meeting is in support of greater use of community service, work release, furloughs as alternatives to prison; and

BE IT FURTHER RESOLVED that the above Annual Meeting is in opposition to mandatory sentencing and the construction of new prisons, and is in support of a cap on the number of prisoners allowed in the Massachusetts prison system, with early release on parole as a means of restricting the number of prisoners; and

BE IT FURTHER RESOLVED that this resolution be distributed to statewide media, and to the Governor, and to all members of the General Court of Massachusetts.

WHEREAS we believe that options should exist for young people, that they should have the option to choose athletics, music, and charitable activities without the stress of having to pit them against religious education and family worship; and

WHEREAS we further believe that parents should not be placed in the position of having to force religious education in place of athletics, music, or charitable activities; and

WHEREAS we want our young people involved in these activities, and we would also like them and their parents to be able to attend religious education and worship; and

WHEREAS the Essex North Association, at its Annual Meeting on April 20, 1980 resolved that the member churches of that Association should take up the issue and communicate their feelings to appropriate civic organizations in their communities; and

STATISTICAL TABLES Explanatory

The tables which follow comprise :

1. The Statistics of the churches, giving the ministers, church membership and Sunday School membership. These tables are from the National Year Book;
2. The Associations of Churches, with the names of officers;
3. The Ministerial Record, containing lists of ordinations and deaths.

The Tables of the first part contain the names of all the Congregational and United Church of Christ churches in Massachusetts, the towns and cities being arranged alphabetically. It is a listing of the location of the church for the convenience of persons seeking to find the church. The first name in the list of churches is the name of the town or city in which the church is located; then follows the name of the church and directions for locating the church.

Church members are reported as numbered January 1, 1980 to December 31, 1980. Admissions and removals cover the year 1980. "Sunday School" includes total membership of officers, teachers, and scholars December 31, 1980, or when the school is in operation (if not at that date), covering "branch schools," "mission schools," and "home department," so far as maintained by the reporting church.

Reference marks used throughout Schedules:

- Y - Pastor serves more than one church.
